CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All contracts are subject to war priorities on material, transportation and other causes that may limit, restrict or make impossible performance thereunder.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety under which it is sold, we hold ourselves in readiness, on proper proof to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS—for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have once been accepted, or when report is not made within Ten Days after arrival of stock. We express or imply no warranty as to productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote wholesale prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

A FAST GROWING
MODERN TREE FOR:

- LAWNS
- PARKS
- STREETS
- ESTATES
- FAIRWAYS
- HIGHWAYS
- BUSINESS
- CITY MALLS
AND INDUSTRIAL
SITES
- HOUSING AREAS

A nice pair of young Redmond Linden. Note its uniform shape which is typical of this budded variety.
It's natural conical top makes it ideal for use where overhanging utility wires are a problem.

We have observed that grass grows well under this tree. It is a natural beauty for the small back yard or for spacious park plantings.

If you are not familiar with Redmond Linden, then we recommend you give it a try. We are confident it will merit your acceptance as a fine tree.

LINE-OUT EVERGREENS**Transplants and Root-pruned Stock**

Again this year we have another crop of fine line-out evergreens. As you know, we are one of the few who offer such sizes and ages of these varieties in pruned, triple transplanted field grown stock. Ideal for either lining-out or canning.

Our stock is grown on fertile sandy loam soil which builds a good fibrous root system. This together with experienced help from digging to packing your order does much to assure you of receiving stock of the best condition.

Profit by planting Plumfield liners—We are sure they will please you.

TERMS

SHIPMENTS made on open account if satisfactory credit is established, otherwise cash should accompany order. No C.O.D. shipments made.

PACKING

PACKING COSTS will be added (on a cost basis) to your invoice. We take every precaution to pack our stock so it will reach you in the best of condition.

SHIPPING

GIVE US SPECIFIC INSTRUCTIONS AND ROUTING. If by truck or R.R. freight, be sure to give names of carrier and routing. THIS IS IMPORTANT. Shipments are made same day they are packed. If routing is not given we will use OUR OWN JUDGMENT.

PRICES

ALL EVERGREENS are priced per each in quantities of 10, 100 and 1000. 25 of any grade or variety at 100 rate. 250 of any grade and variety at 1000 rate.

HANDLING

BOXES AND SPHAGNUM MOSS are taken to the field and as plants are removed from the soil, their roots are covered with moss and rushed to one of our controlled refrigerated storages, where plants are prepared for shipping.

TRAVEL RISK and CLAIMS

STOCK TRAVELS AT PURCHASER'S RISK AND EXPENSE. If containers should be broken or shipment has been delayed, which might indicate stock is damaged, you should make notation on your freight or express bill before accepting shipment. Then file claim with CARRIER (not with Plumfield). However we will be glad to help.

LINE-OUT EVERGREENS—Cont.**SAMPLES**

SAMPLES will be charged for at the 100 rate plus packing and mailing costs.

SURVIVAL

WE CANNOT GUARANTEE SURVIVAL of the stock as we have no control of it after shipment is made.

LOCATION

OFFICE AND STORAGES are 3 blocks west and 1 block south of Junction of U.S. 275 and U.S. 30, north edge of Fremont, or 1 block south of Fremont Country Club.

CONTAINER GROWN STOCK

Can be used for lining out purposes.

The following varieties are ready for delivery now, or whenever you want them. They are easy to transplant almost any time with good results as the roots are not disturbed. Have a supply where your customers will see them.

Make extra profit from Plumfield container stock. Each plant has been in its container at least one full growing season and is fully established. These plants are fed at regular intervals to assure a good green color and to maintain a strong, thrifty growing condition. We invite you to personally inspect this material.

Where shipping is necessary, 5 cans packed in one bushel basket. Over all shipping weight approximately 45 lbs. Packing charge for 5 cans—35 cents.

We suggest that you get your needs covered soon.
